**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of such financial statements in accordance with Indonesian Financial Accounting Standards, and for such internal control as management determines is necessary to enable the preparation financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on such financial statements based on our audit. We conducted our audit in accordance with Standards on Auditing established by the Indonesian Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*(Expressed in Rupiah, unless otherwise stated)*

**3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

---

**a. Basis of presentation of financial statements**

The accompanying financial statements have been prepared based on going concern assumption.

The financial statements, presented in millions of rupiah ("IDR"), are prepared on the accrual basis using the historical cost concept.

The statements of cash flows present the Company's receipts and disbursements of cash classified into operating, investing and financing activities using the indirect method.

According to the Statement of Financial Accounting Standards ("SFAS") No.1 (Revised 2013) "Presentation of Financial Statement" are applicable for financial statements covering periods beginning on or after January 1, 2011. The Company has adopted Statement of Financial Accounting Standards ("SFAS") No.1 (Revised 2009) and there is no impact on the Company to make restatement or reclassification.

**b. Functional currency**

The Company maintains its accounting records in Indonesian Rupiah. Transactions denominated in foreign currencies are converted into Rupiah (IDR) at the fiscal exchange rates prevailing on a beginning week. On the balance sheet date, assets and liabilities in foreign currencies are translated into Rupiah at the exchange rate prevailing as on that date.

Exchange gains and losses arising from foreign currency transactions and on the translation of foreign currency monetary assets and liabilities are recognized in the current period's statement income.

On the balance sheets date, monetary assets and liabilities denominated in foreign currency were translated using the following

The Company has entered into transactions with certain related parties as defined in Statement of Financial Accounting Standards ("SFAS") No. 7, "Related Party Disclosures". Compensation to the key person during 2016 amounting Rp 456,960,794.

All transactions with related parties are properly disclosed in the notes to the financial statements.

**h. Sundry creditors**

Sundry creditors are measured at amortized cost using the effective interest method, except for short-term receivables when the recognition of interest would be immaterial.

**i. Financial assets and liabilities**

In accordance with Statement of Financial Accounting Standards ("SFAS") No. 50 (Revised 2006) "Financial Instruments: Presentation and Disclosure" and SFAS No. 55 (Revised 2006) "Financial Instruments: Recognition and Measurement" applicable for financial statements covering periods beginning on or after January 1, 2010, the accounting policy on financial assets and liabilities are as follows:

**1) Financial Asset**

Financial assets are classified into the following categories (i) financial assets at fair value are recognized through the income statement, (ii) loans and receivables, (iii) financial assets held to maturity, and (iv) financial assets available for sale. The classification is dependent on the objective when the financial assets were acquired. Management determines the classification of financial assets at initial recognition.

**(i) Financial assets at fair value are recognized through the income statement**

Financial assets at fair value are recognized in the consolidated profit or loss are financial assets classified as assets to be traded. A financial asset is classified as an asset to be traded if it is obtained primarily for the purpose of sale or repurchase in the near future and there is evidence to suggest the background to take advantage of short-term.

**(ii) Loans and receivables**

Loans and receivables are non-derivative financial assets with fixed or predetermined payment that is not affected by an active market. Loans and receivables are initially recognized at fair value plus transaction costs and subsequently measured at cost which is amortized using the effective interest rate method.

**PT MITRA NIAGA MULIA**

**NOTES TO THE FINANCIAL STATEMENTS**

For the years ended March 31, 2016

*(Expressed in Rupiah, unless otherwise stated)*

**3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

---

**i. Financial assets and liabilities**

**1) Financial Asset**

**(iii) Financial assets held to maturity**

Financial assets held to maturity are non-derivative financial assets with payments and fixed maturity and has determined that the Company's management has the positive intent and ability to maturity, other than:

- a. The Company's financial assets are recognized at fair value through profit or loss;
- b. Company's financial assets available for sale; and
- c. Financial assets that meet the definition as loans and receivables.

These financial assets are initially recognized at fair value including transaction costs and subsequently remeasured at amortized cost by applying the effective interest rate method.

**(iv) Financial assets available for sale**

Financial assets available for sale are financial assets that are held to an unlimited period of time, which can be sold to meet liquidity needs or changes in interest rates, exchange rates, or that are not classified as loans and receivables, financial assets held to maturity tempo or financial assets at fair value are recognized through the income statement.

Financial assets available for sale are initially recognized at fair value plus transaction costs and are subsequently remeasured at fair value gains and losses are recognized in the statement of changes in equity, except for impairment losses and foreign exchange gains and losses, until such financial assets no longer recognized. If a financial asset available for sale is impaired, the cumulative gain or loss previously recognized in the statement of changes in equity, will be recognized in the income statement. However, interest calculated using the effective interest rate method, and gains or losses on foreign currency monetary assets which are classified as assets available for sale are recognized in the income statement for the year.

**2) Financial liabilities**

The company classifies its financial liabilities in categories (i) financial liabilities at fair value are recognized through the income statement and (ii) financial liabilities measured at amortized cost.

**(i) Financial liabilities are recognized at fair value through profit and loss**

Financial liabilities are recognized at fair value through profit or loss are financial liabilities classified as trading liabilities. A financial liability is classified as a trading liability if it acquired primarily for the purpose of sale or repurchase in the near future and there is evidence to suggest the background to take advantage of short-term.

Gains and losses arising from changes in fair value of derivatives that are managed in conjunction with the financial obligation is included in "gain/ loss on foreign exchange".

**(ii) Financial liabilities measured at amortized cost**

Financial liabilities not classified as financial liabilities at fair value are recognized through profit and loss are measured at amortized cost. Financial liabilities measured at amortized cost are trade and other payables, accrued expenses, and loans.

**3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

---

**j. Fair value estimation**

The Company uses several assessment techniques that are used in general to determine the fair value of financial instruments. Inputs used in valuation techniques for financial instruments on the market data that can be observed.

The fair value of financial instruments not traded in active markets is determined using valuation techniques. The Company uses discounted cash flow method using assumptions based on market conditions at balance sheet date which are then used to determine the fair value of financial instruments.

**k. Taxation**

The Company has adopted Statement of Financial Accounting Standards ("SFAS") No. 46 with respect to "Accounting for Income Tax", for presenting the income tax expense and the income tax payable. Under this method, the tax effects of the temporary differences in the recognition of income and expenses between financial reporting and for tax purposes are recognized as deferred tax assets and/or liabilities. The currently enacted tax rates are used to determine the deferred taxes.

Deferred tax assets relating to the carry forward of unused tax losses, if any, are recognized to the extent, that future taxable profit would be available to compensate for the unused tax losses.

Amendments to the tax obligations are recorded when an assessment is received, or if appealed against, when the result of the appeal is determined.

**l. Revenue and expenses recognition**

Revenue is recognized when goods are delivered. Expenses are recognized when incurred.

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Due to the inherent uncertainty in making estimates, actual results reported in the future periods may be based on amounts that differ from these estimates.

**m. Adoption of New Accounting Standards**

Effective since January 1, 2015, the Company adopted the following revised accounting standards, which are considered relevant to the financial statements but did not have significant impact :

- SFAS No. 1 (2013 Revision), Presentation of Financial Statements
- SFAS No. 24 (2013 Revision), Employee Benefits
- SFAS No. 46 (2013 Revision), Income Taxes
- SFAS No. 48 (2013 Revision), Impairment of Assets
