INDEPENDENT AUDITOR'S REPORT

To the Members of Kamuthi Renewable Energy Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of Kamuthi Renewable Energy Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, and the Statement of Profit and Loss and Cash Flow Statement for the period then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT RE: KAMUTHI RENEWABLE ENERGY LIMITED

(Referred to in paragraph 2 (f) of our Report of even date)

Report on the Internal Financial Controls under Clause i of sub-section 3 of section 143 of the Companies Act 2013 (the act).

We have audited the internal financial controls over financial reporting of the Company as of 31st March, 2016 in conjunction with our audit of the standalone financial statements of the company for the period ended on that date.

Management's Responsibilities for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT (Continue) **RE: KAMUTHI RENEWABLE ENERGY LIMITED**

(Referred to in paragraph 2 (f) of our Report of even date)

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 Corporate information

Kamuthi Renewable Energy Limited is a public limited company domiciled in India and incorporated on 5th June 2015 as 100% Subsidiary of Adani Green Energy (Tamilnadu) Limited. The company has installed capacity of 72 MW at Tamilnadu, to augment the power supply in the State of Tamil Nadu. The Company intends to sell the power generated from these projects under long term Power Purchase Agreements with TANGEDCO. The Company gets synergetic benefit of the integrated value chain of Adani group.

2 Summary of significant accounting policies**a. Basis of Preparation of Financial Statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the 2013 Act") read with Rule 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on accrual basis under historical cost convention and going concern basis.

b. Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

c. Current & Non- Current Classification

All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of activities and time between the activities performed and their subsequent realisation in cash or cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

d. Cash and Cash Equivalents (For Purpose of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

e. Cash Flow Statement

The Cash Flow Statement is prepared in accordance with the format given under Accounting Standard-3 prescribed under The Companies (Accounting Standards) Rules, 2006 (as amended). Cash flows are reported using indirect method, whereby profit/ (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

f. Depreciation

- i) Depreciation on fixed assets has been provided to the extent of depreciable amount on straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.
- ii) Depreciation on assets acquired/disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal.

g. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i) Revenue from Power Supply are accounted for on the basis of sales to State Distribution Companies in terms of the PPA and includes unbilled revenues accrued up to the end of the accounting year.
- ii) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.
- iii) Dividend income is recognised when the Company's right to receive dividend is established by the Balance Sheet date.

h. Tangible Assets

Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises of its purchase price, any non-refundable duties and taxes and any attributable cost for bringing the assets ready for their intended use. Borrowing costs directly attributable to qualifying assets / capital projects are capitalized and included in the cost of fixed assets to the extent they relate to the period till such assets are ready for their intended use.

The Company has adopted the provisions of para 46/46A of AS-11- The Effects of Changes in Foreign Exchange Rates, accordingly, exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets. Subsequent expenditure on fixed assets after its purchase / completion is capitalized only if such expenditure results in an increase in the future benefits from such assets beyond its previously assessed standard of performance.

i. Intangible Assets

Intangible assets are stated at cost of acquisition or construction less accumulated amortisation and impairment losses if any. Intangible assets are amortised over their estimated useful economic life. Computer software cost is amortised over a period of 5 years using Straight line method.

j. Capital Work in Progress:

Capital work in progress includes the cost of fixed assets that are not ready to use at the balance sheet date.

k. Project Development Expenditure

Expenditure related to and incurred during implementation of capital projects is included under "Capital Work in Progress" or "Project Development Expenditure" as the case may be. The same is allocated to the respective fixed assets on completion of construction/erection of the capital project/ fixed assets.

l. Foreign exchange transactions**(i) Initial recognition**

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

(ii) Measurement of foreign currency monetary items at the Balance Sheet date:

Foreign currency monetary items (other than derivative contracts) of the Company outstanding at the Balance Sheet date are restated at the year-end rates.

Non-monetary items are carried at historical cost. Revenue and expenses are translated at the average exchange rates prevailing during the year. Exchange differences arising out of these translations are charged to the Statement of Profit and Loss.

(iii) Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

The exchange differences arising on revaluation of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary items relates and depreciated over the remaining balance life of such assets and in other cases amortised over the balance period of such long-term foreign currency monetary items.

(iv) Accounting of forward contracts

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the Balance Sheet date.

m. Borrowing costs

Borrowing costs that are attributable to construction / acquisition of qualifying assets are capitalized as part of the cost of such assets up to the date the assets are ready for their intended use. Borrowing costs includes interest on borrowings, amortisation of ancillary costs incurred for borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to interest cost. Such costs to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the borrowings.

n. Segment reporting

In accordance with Accounting Standard 17 "Segment Reporting" as prescribed under Companies (Accounting Standards) Rules, 2006 (as amended), the Company has determined its business segment as power generation. Since, there are no other business segments in which the Company operates; there are no other primary reportable segments. Further, since operations of the company are within limited geographical location, there are no other secondary (geographical) reportable segments. Therefore the segment revenue, segment results, segment assets, segment liabilities, total cost incurred to acquire segment assets, depreciation charge are all as is reflected in the financial statement.

o. Related Party transactions

Disclosure of transactions with Related Parties, as required by Accounting Standard 18, "Related Party Disclosures" has been set out in separate note. Related parties as defined under clause 3 of the Accounting Standard-18 have been identified on the basis of representations made by key managerial personnel and information available with the Company.

p. Earning Per Share

In accordance with Accounting Standard 20 "Earning per Share" as prescribed under Companies (Accounting Standards) Rules, 2006 (as amended), Basic earnings per share is computed by dividing the profit / loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for the effects of dividend, interest and other charges relating to the dilutive potential equity shares.

q. Taxes on Income**i) Current Tax :**

Tax expense comprises of current tax and deferred tax and includes any adjustments related to past periods in current and / or that may become necessary due to certain developments or reviews during the relevant period. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961.

In absence of taxable income in the current year, provision for taxation has not been made.

ii) Deferred Tax

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

r. Impairment of Assets

The carrying values of assets / cash generating units are reviewed for impairment at each balance sheet date. If any indication of impairment exists, the recoverable amount is estimated. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the period in which an asset is identified as impaired. The impairment loss, if any, recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

s. Provisions, contingent liabilities and contingent assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present values and are determined based on the best estimate required to settle the obligations at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements and are disclosed in the Notes. A Contingent asset is neither recognised nor disclosed in the financial statements.

t. Derivative transactions

The Company enters into derivative contracts in the nature of foreign currency swaps, currency options, interest rate swaps with an intention to hedge its existing assets and liabilities, firm commitments and highly probable forecast transactions. Forward contracts which are closely linked to the existing assets and liabilities are accounted as per the policy stated for foreign currency transaction and translations. The company has adopted the " Guidance Note on Accounting for Derivative Contracts " issued by the Institute of Chartered Accountants of India (except the guidance related to hedge accounting) which require recognition of all derivative contracts on the balance sheet date and measured at fair value.

u. Applicability of other Accounting Standards

Though other Accounting Standards also apply to the company by virtue of the Companies (Accounting Standards) Rules 2006 (as amended), no disclosure for the same is being made as the company has not done any transaction to which the said Accounting Standard apply.
