### **Independent Auditor's Report**

#### **To the Members of Jhar Mining Infra Private Limited**

##### **Report on the Ind AS Financial Statements**

We have audited the accompanying Ind AS Financial Statements of Jhar Mining Infra Private Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2017, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (herein after referred to as "Ind AS Financial Statements").

##### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

##### **Auditor's Responsibility**

Our responsibility is to express an opinion on these Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

##### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31<sup>st</sup> March, 2017 and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### **Annexure – B to the Independent Auditor's Report**

**RE: Jhar Mining Infra Private Limited**

(Referred to in paragraph 2 (f) of our Report of even date)

### **Report on the Internal Financial Controls under Clause i of sub-section 3 of section 143 of the Companies Act 2013 (the Act).**

We have audited the internal financial controls over financial reporting of the Company as of 31<sup>st</sup> March, 2017 in conjunction with our audit of the Ind AS Financial Statements of the company for the year ended on that date.

#### **Management's Responsibilities for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes to Financial Statements for the year ended 31 March 2017

---

### 1 Corporate Information

Jhar Mining Infra Private Limited is a private limited company domiciled in India and was incorporated under the Companies Act, 1956. The registered office of the Company is located at Plot No.83, Sector -32, Gurgaon, Haryana. The company was incorporated on 20th May 2014 in order to spearhead all mining projects in the state of Jharkhand.

### 2 Summary of Significant Accounting Policies

#### a) Statement of Compliance

Jhar Mining Infra Private Limited ('the Company') has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, in accordance with the notification issued by the Ministry of Corporate Affairs.

Upto the year ended March 31, 2016, the Company has presented its financial statements in accordance with the requirements of previous GAAP, which includes the Standards notified under the Companies (Accounting Standards) Rules, 2006. The date of transition to Ind AS is 1st April, 2015. All the previous period numbers in the financial statements for 31st March, 2016 have been restated as per notified Ind AS. These are Company's first Ind AS financial statements.

#### b) Basis of preparation and presentation of financial statements

These financial statements have been prepared on historical cost basis, except for certain financial instruments that are measured at fair values at the end of each reporting period. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date.

In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard, the Company has presented a reconciliation of shareholders' equity as at 31st March, 2016 and 1st April, 2015 and of the comprehensive net income for the year ended 31st March, 2016 as reported under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS financial statements.

Refer to note 3 for information on how the Company has adopted Ind AS. The Financial statements are presented in INR except when otherwise stated.

#### c) Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between the actual results and the estimates are recognised in the periods in which the results are known / materialized.

#### Estimates and assumptions are required in particular for:

##### i) Recognition of deferred tax assets:

A deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. The management assumes that taxable profits will be available while recognising deferred tax assets.

##### ii) Recognition and measurement of other provisions:

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the figure included in other provisions.

#### d) Current & Non-Current Classification

All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of activities and time between the activities performed and their subsequent realisation in cash or cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

### e) Cash And Cash Equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### f) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

### g) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

### h) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

For purposes of subsequent measurement, financial assets and liabilities are classified in various categories as under.

- > at amortised cost
- > fair value through other comprehensive income
- > fair value through profit and loss account

Financial instruments are subsequently measured and accounted based on their category. All financial instruments of the Company are covered under Amortised Cost. After initial measurement, such financial assets and liabilities are subsequently measured using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

### Derecognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- a) The rights to receive cash flows from the asset have expired, or
- b) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement

### Impairment of Financial Assets

The Company applies simplified approach model for measurement and recognition of impairment loss on the financial assets and credit risk exposure.

Under the simplified approach the Company does not track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit losses (ECL) at each reporting date, right from its initial recognition.

### Derecognition of Financial Liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

### i) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

### j) Related Party Transactions

Disclosure of transactions with Related Parties, as required by Ind AS 24 "Related Party disclosures" has been set out in a separate note. Related Parties as defined under clause 9 of the Ind AS 24 have been identified on the basis of representation made by management and information available with the Company.

### k) Earnings Per Share

The Basic EPS has been computed by dividing the income available to equity shareholders by the weighted average number of equity shares outstanding during the accounting year. The Diluted EPS has been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at the end of the year.

### l) Taxes on Income

Tax expense comprises of current income tax and deferred tax.

#### I) Current Taxation

In the absence of any taxable income, provision for taxation has not been made in accordance with the income tax laws prevailing for the relevant assessment year.

#### II) Deferred Taxation

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent it is probable that these assets can be realised in future.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax assets and liabilities are offset where a legally enforceable right exists to offset current tax assets and liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax includes MAT tax credit. The Company reviews such tax credit asset at each reporting date to assess its recoverability.

### m) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is possible that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the notes. Contingent assets are not recognised in the financial statements. The nature of such assets and an estimate of its financial effect are disclosed in notes to the Financial Statements.

### 3 First-time adoption of Ind-AS

These are Company's first financial statements prepared in accordance with Ind AS. For all periods up to and including the year ended 31st March 2016, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

The Company has prepared these financial statements for the year ending on 31st March 2017, together with the comparative period data, by applying Ind AS compliant policies described in the "Summary of Significant Accounting Policies". In preparing these financial statements, the Company's opening balance sheet was prepared as at 1st April 2015, which is Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1st April 2015 and the financial statements as at and for the year ended 31st March 2016.

#### a) Options availed on the first time adoption of Ind AS 101

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following Ind AS 101 exemptions from the transition date i.e. 1st April 2015 :

##### i) Estimates

The estimates at 1st April 2015 and at 31st March 2016 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies) apart from the following items where application of Indian GAAP did not require estimation:

> Impairment of financial assets based on the risk exposure and application of ECL model

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions at 1st April 2015, the date of transition to Ind AS and as of 31st March 2016.

##### ii) Classification and measurement of financial assets :

The Company has assessed classification and measurement of financial assets on the basis of facts and circumstances that exist as on transition date.

##### iii) Impairment of financial assets

The Company has applied impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date.

##### iv) Derecognition of financial assets and financial liabilities

The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after transition date.

#### b) Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior period. The following tables represent the reconciliations from previous GAAP to Ind AS

##### Reconciliation of Equity as at 1st April 2015 and 31st March 2016:

### 14 Fair Value Measurement and Hierarchy

Since the Company does not have any financial asset or liability measured at fair value, disclosure of fair value hierarchy and disclosure of category-wise assets and liabilities is not relevant. All financial assets and liabilities of the Company have been valued at amortised cost and their values are not expected to be different than those presented in financial statements.

### 15 Financial Instruments And Risk Review

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations / projects. The Company's principal financial assets include mainly cash and cash equivalents and deposits. In the ordinary course of business, the Company is mainly exposed to risks resulting from interest risk and liquidity risk .

#### Interest risk

The Company is exposed to changes in interest rates due to its financing, investing and cash management activities. The Company's risk management activities are subject to the management, direction and control of Central Treasury Team of the Adani Group under the framework of Risk Management Policy for interest rate risk.

#### Liquidity risk

The Company monitors its risk of shortage of funds using cash flow forecasting models. These models consider the maturity of its financial investments, committed funding and projected cash flows from operations. The Company's objective is to provide financial resources to meet its business objectives in a timely, cost effective and reliable manner and to manage its capital structure. A balance between continuity of funding and flexibility is maintained through the use of various types of borrowings.
