## Independent Auditors' Report

No.: R. 00010/2.0735/AU.1/05/0448-1/1/IV/2019

The Shareholders and The Board of Directors,  
PT. Hasta Mundra

We have audited the accompanying financial statements of **PT. Hasta Mundra** ("The Company"), which comprise the statement of financial position as of 31 March 2019, and the statements of comprehensive income, changes in equity, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of such financial statements in accordance with Indonesian Financial Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's responsibility

Our responsibility is to express an opinion on such financial statements based on our audit. We conducted our audit in accordance with Standards on Auditing established by the Indonesian Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether such financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Armen, Budiman & Rekan

## Opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of **PT. Hasta Mundra** as of 31 March 2019 and its financial performance and cash flows for the year then ended, in accordance with Indonesian Financial Accounting Standards.

Jakarta, 15 April 2019

## **PT. Hasta Mundra**

### **Notes to the Financial Statements**

*The Financial Statements are prepared in Rupiah*

---

#### **1. General**

PT. Hasta Mundra ("the Company") was established under the notary deed No. 6 of Rohana Frieta S.H., public notary in Jakarta, dated 11 December 2007, and has been approved by the Ministry of Justice and Human Rights of Republic of Indonesia in the decision letter No. : AHU-02028.AH.01.01.TH.2008, dated 16 January 2008.

The Company's Article of Association has been amended several times, the latest amendment was issued by virtue of Notarial deed no. 5 dated 15 December 2013 of Rohana Freta, S.H., regarding the changes of the Company's share holders.

According to the Articles of Association, the Company's scope of activities, among others, are coal minings, coal trading and others.

The Board of Commissioners and Directors are as follows:

	2019	2018
<b>Board of Commissioners:</b>		
Commissioner	Ms. Prosidawaty Malemta	Ms. Prosidawaty Malemta
<b>Board of Directors:</b>		
President Director	Mr. Abdi Khalik Ginting	Mr. Abdi Khalik Ginting
Director	Mr. Dani Daksinaputra	Mr. Dani Daksinaputra

#### **2. Summary of Significant Accounting Policies**

Set out below is a summary of the significant accounting policies adopted by the Company in the preparation of the financial statements.

##### **a. Basis of financial statements preparation**

The financial statements have been prepared in accordance with generally accepted accounting principles in Indonesia, except otherwise stated.

The statements of cash flows are prepared based on the indirect method by classifying cash flows arising from operating, investing and financing activities.

The preparation of the financial statements requires management to make estimates and assumptions that affect the reporting amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements and the reporting amounts of revenues and expenses during the reporting period. Actual result could differ from those estimates.

##### **b. Foreign currency transactions and balances**

The company maintains its accounting records in Rupiah currency. Transactions in currencies other than Rupiah are recorded at the prevailing rate of exchange in effect on the date of the transactions.

At balance sheet date, all monetary assets and liabilities denominated in foreign currency have been translated at the prevailing exchange rate at that date.

**PT. Hasta Mundra**  
**Notes to the Financial Statements - continued**

The Financial Statements are prepared in Rupiah

---

**2. Summary of Significant Accounting Policies - continued**

**b. Foreign currency transactions and balances - continued**

The principal rate of exchange used as of 31 March were as follows:

	2019	2018
USD. 1	14.244	13.756

Exchange gains or losses arising from foreign currency translations are recognized in the current year statements of profit and loss.

**c. Financial Assets**

Classification of financial assets depends on the purpose for which the financial assets were acquired, which is determined at initial recognition. Financial assets of the Group mainly comprised cash and cash equivalents, trade debtors and other debtors which represent non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Accordingly, such financial assets have been classified as loans and receivables.

Loans and receivables are classified as current assets, except if the maturities are greater than 12 months after the end of the reporting period.

Loans and receivables are carried at amortised cost using the effective interest method.

At the end of each reporting period, the Group assesses whether there is objective evidence that a financial asset or group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the assets (a "loss event") and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

**d. Financial Liabilities and Equity Instruments**

Financial liabilities and equity instruments issued by the Company and its subsidiaries are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

An equity instrument is any contract that evidences a residual interest in the assets of the Company and its subsidiaries after deducting all of their liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Trade and other payables, bank and other borrowings are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest method, with interest expense recognised on an effective yield basis.

Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings.

**PT. Hasta Mundra**  
**Notes to the Financial Statements - continued**

The Financial Statements are prepared in Rupiah

---

**2. Summary of Significant Accounting Policies - continued**

**d. Financial Liabilities and Equity Instruments - continued**

The Company derecognise financial liabilities when, and only when, the Company's obligations are discharged, cancelled or expire.

The Company only offset financial assets and liabilities and present the net amount in the statement of financial position where they :

- currently have a legal enforceable right to set off the recognized amount, and
- intend either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

**e. Cash and cash equivalent**

Cash and cash equivalents consist of cash on hand and at banks, short term deposits with maturity not more than three months at the time of placement and bank overdraft, which are not pledged as collateral nor restricted to be used.

**f. Related parties**

Related party transaction is a transfer of resources or obligations between related party, regardless of whether a price is charged.

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial and operating decisions. The definition of related parties used is in accordance with SFAS 7, "Related Parties".

All material transactions with related parties are disclosed in the notes to these consolidated financial statements.

**g. Deferred expenses**

All costs associated with acquisition, exploration and development of coal reserves, including directly related overhead costs, are capitalised as deferred expense.

Exploration and development costs are accumulated for each area of interest and deferred until such area of interest commence its commercial production.

At the balance sheet date, each of the area of interest are evaluated to determine the recoverable of the carrying value of the deferred exploration and development expenses in the future, adjustments made if necessary.

Deferred exploration and development expenses are amortised on straight-line basis from the date of commercial production of the respective area of interest, over the lesser of the estimated live of the mining or the remaining term of the Coal Agreement.

The net carrying value of each area of interest is reviewed regularly and to the extent this value exceeds its recoverable value, that excess is provided for or written-off in the year in which this is determined.

**PT. Hasta Mundra**  
**Notes to the Financial Statements - continued**

The Financial Statements are prepared in Rupiah

---

**2. Summary of Significant Accounting Policies - continued**

**h. Corporate income tax**

The income tax expense comprises current and deferred tax. Tax is recognised in the profit or loss, except to the extent that it relates to items recognised directly in equity or in other comprehensive income. In this case, the tax is also recognised directly in equity or in other comprehensive income, respectively.

The current income tax is calculated using tax rates that have been enacted at the financial position date.

Deferred income tax is recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. Deferred income tax is determined using tax rates that have been enacted or substantially enacted as at reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income taxes assets and liabilities relate to income taxes charged by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Amendments to taxations obligations are recorded when an assessment is received or, if appealed against, when the result of the appeal are determined.
